PROFESSIONAL SUMMARY

Beverage New Product Development and Product Development professional with 6+ years of experience across beverage innovation, formulation, product launches, QA/QC, operations, and commercial execution within the food & beverage industry. Currently working as Executive – Category at Bistro by Blinkit, specializing in beverage NPD and managing the development of new beverage offerings for the platform. Experienced in taking beverage concepts from ideation and formulation trials through vendor development, product evaluation, launch execution, and post-launch performance analysis. Skilled in evaluating product sales, order frequency, product movement, consumer response, product improvement opportunities, and commercial feasibility. Strong cross-functional experience working with Category, Operations, QA/QC, Procurement, and external vendors to develop commercially viable and operationally feasible beverage products.

Work EXPERIENCE

BISTRO BY BLINKIT
Executive – Category | Beverage NPD
Aug 2025 – Present

- **Own end-to-end beverage NPD from concept ideation, formulation and trials to launch and post-launch review.**
- **Develop new beverages based on consumer trends, product opportunities, operational feasibility and commercial potential.**
- **Analyse sales, order frequency and product movement to evaluate performance and identify improvement opportunities.**
- **Drive recipe development, standardization, sensory evaluation and product optimization.**
- **Coordinate vendor sourcing, sampling, evaluation and onboarding for new beverage development.**
- **Work cross-functionally with Category, QA/QC, Operations, Procurement and vendors to ensure launch readiness.**
- **Monitor beverage quality, consistency and QA/QC parameters throughout development and execution.**
- **Review existing products to identify opportunities for formulation, process and portfolio improvement.**

FIRSTCOFFEE — Learning & Development & Operational Excellence
Mar 2025 – Aug 2025

- **Supported beverage NPD through product trials, recipe validation, SOPs and launch execution.**
- **Coordinated with Operations, QA, Commercial and Supply Chain for product and ingredient readiness.**
- **Conducted pilot runs and post-launch reviews to identify quality and process improvements.**
- **Supported demand-based inventory planning and cost-conscious beverage execution.**

abCOFFEE — Cafe Excellence | QA & QC
Jun 2024 – Dec 2024

- Conducted beverage quality audits, sensory evaluations, calibration and hygiene checks.
- Supported formulation and preparation standardization across locations.
- Identified quality deviations and supported root-cause analysis and corrective actions.
- Maintained SOPs, quality benchmarks and HACCP-aligned documentation.

POUR & PALATE — Senior Barista / Operations Supervisor
Nov 2023 – Jun 2024

- Supported beverage trials, recipe validation, SOP development and product rollouts.
- Ensured consistent beverage execution against defined recipe, quality and sensory standards.
- Trained teams on beverage preparation, SOPs and quality requirements.

BLUE TOKAI COFFEE ROASTERS — Senior Barista & Training Support
Aug 2021 – Aug 2023

- Delivered specialty coffee training and SOP support across retail and corporate locations.
- Developed SOPs for new beverages and trained teams on product execution and quality standards.
- Conducted equipment calibration and supported consistent beverage quality.
- Represented the brand at national events and coffee competitions.

EARLY CAREER EXPERIENCE — HOSPITALITY & EVENTS
2017 – 2021

- Supported food & beverage operations and service execution across hospitality environments.
- Assisted with large-scale events and on-ground operational coordination.

KEY PROJECTS

BEVERAGE NPD & PRODUCT DEVELOPMENT — Bistro by Blinkit
Executive – Category | Beverage NPD

- Manage beverage NPD from concept, formulation and trials to launch and post-launch review.
- Analyse sales, order frequency and product movement to identify performance and improvement opportunities.
- Coordinate vendors, QA/QC, Procurement and Operations for product development and commercial execution.

BOBA BEVERAGE LAUNCH & SALES STABILIZATION — FirstCoffee
Learning & Development & Operational Excellence

- Supported end-to-end BOBA launch through SOP standardization, training and demand-based inventory planning.
- Achieved ~850 cups and ₹3.8 lakh revenue in the first month against ₹2.5 lakh initial inventory.
- Maintained post-launch sales and quality consistency through operational optimization.

BEVERAGE QA & STANDARDIZATION — abCoffee
Cafe Excellence – QA & QC

- Conducted quality audits, sensory evaluations, calibration and hygiene assessments.
- Supported beverage formulation standardization and root-cause analysis for quality deviations.
- Maintained SOPs, quality benchmarks and HACCP-aligned documentation.

BEVERAGE SOP & PRODUCT ROLLOUT — FirstCoffee | Pour & Palate

- Developed beverage SOPs, recipes and preparation standards for new product rollouts.
- Supported product trials, validation and team training to ensure consistent execution.

BEVERAGE TRAINING & CAPABILITY DEVELOPMENT — Blue Tokai | Pour & Palate

- Delivered hands-on beverage training, SOP implementation and product assessments.
- Improved execution consistency through calibration, coaching and standardized processes.

EQUIPMENT CALIBRATION & BEVERAGE QUALITY — Blue Tokai

- Conducted equipment calibration and preventive maintenance to maintain beverage consistency.
- Trained teams on equipment handling, calibration and beverage quality standards.
